CLASS DAY / FOLLOW-UP

- [ ] **Read the event's "more" description**
  Class: first Saturday of even-numbered months. Opening: 7am Monday after the previous class. Use DR&GC calendar, not USI calendar.
- [ ] **Arrive 7:30am / start 8am / finish by 1pm**
  All times Pacific. Late arrival: doors may be locked; no refund; wait two months.
- [ ] **Qualifying match / annual activity planned**
  After class, one of next 3 second-Sunday Steel matches within 90 days, no safety DQ. USPSA / IDPA / ICORE need instructor approval. Practice encouraged; remain active annually.
- [ ] **Safety / scoring / reset basics reviewed**
  Follow the RO, keep the muzzle safe, stop on command, never retrieve a dropped firearm yourself. Score before reset.

CALIBER / CLASS: 9mm semi-auto / .38 Special revolver minimum per instructor FAQ. The equipment sheet above uses "9mm or larger" for revolvers. Class qualification: centerfire 9mm–.45 from a holster; no magnum loads. Steel has .22 rimfire divisions, but first qualify centerfire from the holster. **Class ammo:** 50 minimum, 100+ recommended—not a match round-count quote.
CONTACTS: class@diabloactionpistol.com (class info / post-registration membership screenshot); matchsupport@diabloactionpistol.com (DAP PractiScore join receipt / membership-card photo; manual approval 1–2 days). **RANGE:** USI, 4700 Evora Road, Concord CA 94520. Source A1: DAP orientation instructors, Nov 10, 2026. **Missing 90 days means pay / retake class, then complete the match requirement again.**
